

Reid,

I need [your help](#) to defeat one of the United States Senate's most partisan members. **I am running neck-and-neck with Jeanne Shaheen in one of the GOP's absolute "must win" races.**

Here's why it's a "must win" ...

Jeanne Shaheen doesn't just support President Obama's liberal agenda — *she is responsible for President Obama's liberal agenda. She votes with him a staggering 99% of the time* — putting her to the left of Bernie Sanders.

Here are just a few highlights — er, lowlights — of her Senate tenure:

- **She triumphantly cast the tie-breaking vote for Obamacare**
- **She voted to pave the way for a national energy tax**
- **She supports Obama's incoherent foreign policy and hasn't stepped up to secure our border**

Any one of these ALONE would be enough to hold her to one term. But with vote after vote she has proven herself to be nothing but a reliable rubber stamp for President Obama's liberal agenda.

Help us win this must-win race so the GOP can take control of the Senate with:

[\\$35](#)
[\\$50](#)
[\\$100](#)
[\\$500](#)
[\\$1,000](#)
[Or another amount.](#)

Now more than ever, we need strong, decisive, independent leadership in Washington, Reid.

We have seized the momentum and every poll shows us ahead or in a statistical dead heat. What we do in these final days will decide it all.

[Please stand with me.](#)

Scott Brown
